

Spark NH Vision: All New Hampshire children and their families are healthy, learning, and thriving now and in the future.

Spark NH Mission: Provide leadership that promotes a comprehensive, coordinated, sustainable early childhood system that achieves positive outcomes for young children and families, investing in a solid future for the Granite State.

Spark NH Data Committee Meeting

September 18, 2017

2:00-4:00

2 Delta Drive, Concord, NH

Early Childhood Data System Committee charge –facilitate the development and implementation of an integrated, cross-sector data system that connects early childhood data to the New Hampshire Department of Education’s longitudinal data system

Notes

- Identify meeting recorder : Liz
- Review minutes of last meeting:
No changes indicated
- Update on Spark NH Data Display Party and Preliminary Results

Reviewed the analytics for the Data Display and identified that we are surpassing our unique user goals, at this time. The link on the Spark NH website was reviewed and suggestion made to increase the use of the link from that location. Jennifer presented on the Data Display for a Webinar and Laura will be presenting at NH PIP.

- Update on Strategic Planning – Goals and Objectives for the Next Year

Collaboration with NH Kids Count has been active and the NH Chartbook should be out this fall. The NSCH data is out and the webinar should be scheduled in the next several months. Laura has been meeting with a variety of other groups and will the Data Committee updated as new opportunities to focus on data integration emerge.

Jennifer will send out a Doodle poll to start the planning for our next meeting in December. Tentative agenda items were discussed.

Next Meeting: December 4, 2017, 2-4
