

September 2017

Thrive Laconia activities include updates to the *Framework for Action and Community of Practice Regional Initiative Crosswalk*, *Mind in the Making* training series, and the creation of a *Family Friendly Practices* brochure with input from the Thrive Parent Leadership and Thrive Business Ambassadors groups (attached above). In addition, Thrive Laconia sponsored the presentation of all modules of *Mind in the Making* between the first week in July and the first week in August 2017. There were 15 participants - family support, school guidance, kindergarten and special education teachers, and home visitors.
