

Children: The Bedrock of the Granite State

4 Actions New Hampshire Leaders Can Take To Build a Brighter Future

1. Spread the Word - Be an Ambassador

- Host a regional breakfast or arrange a local presentation
- Write an article or op-ed
- Organize a “lunch & learn” at your workplace
- Help bring **vrom** into my community

2. Connect

- Get the news from the Governor-appointed early childhood advisory council, SparkNH.org
- Visit or join the board of an early childhood program
- Follow us on Facebook and Twitter

3. Take a Stand - Be a Champion

- Call your elected officials
- Ask candidates for office what they will do
- Promote early childhood policies in the *Framework for Action for New Hampshire's Young Children*
- Take "Our Pledge to New Hampshire's Children" sparknh.org/pledge

4. Support and Spur Innovation

- I'm interested in being part of a movement to establish a fund that leverages support and spurs early childhood innovation in our state. To learn more, contact Spark NH.
