**September 2017**

As the Concord School District Safe Schools/Healthy Students Grant Initiative enters its final year of implementation, the project continues its dedication to offering high quality early childhood and family engagement activities. There will be a focus on offering and working to sustain its most successful initiatives which include; offering weekly Family Center programs at four neighborhood sites; providing ongoing professional development and technical assistance to the Early Childhood Community; strengthening efforts to offer social-emotional screening to children ages birth to six; offering parent and caregiver groups; and removing barriers to access important resources for young children experiencing behavioral and emotional challenges.
