

NH Children's Behavioral Health Collaborative

The NH KIDS COUNT 2015 Data Book is an eye opener. If you were one of the 271,122 children living in New Hampshire, what would your life be like?

11.1%
of children
in NH live in poverty

2 out of 7
students utilize free and reduced price lunch

2 out of 7
of your friends' households are headed by single-parents

Both of your parents would have to make

In your 8th grade class

77%

and

64%

of students are proficient or above in reading are proficient or above in math

11,602

kids in NH are enrolled in kindergarten

\$20.15 an hour

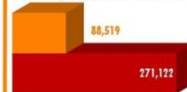

to meet your family's basic needs or almost 3x the minimum wage

3,405
children and youth

are homeless in your state

Medicaid & Children's Health Insurance Program (CHIP) helps many New Hampshire parents with health care costs

Total Children Enrolled in Medicaid/CHIP

Total Child Population

31.4%

These are just a fraction of the findings for New Hampshire published in the NH KIDS COUNT 2015 Data Book. To learn more about your county and the state, please visit nhkidscount.org

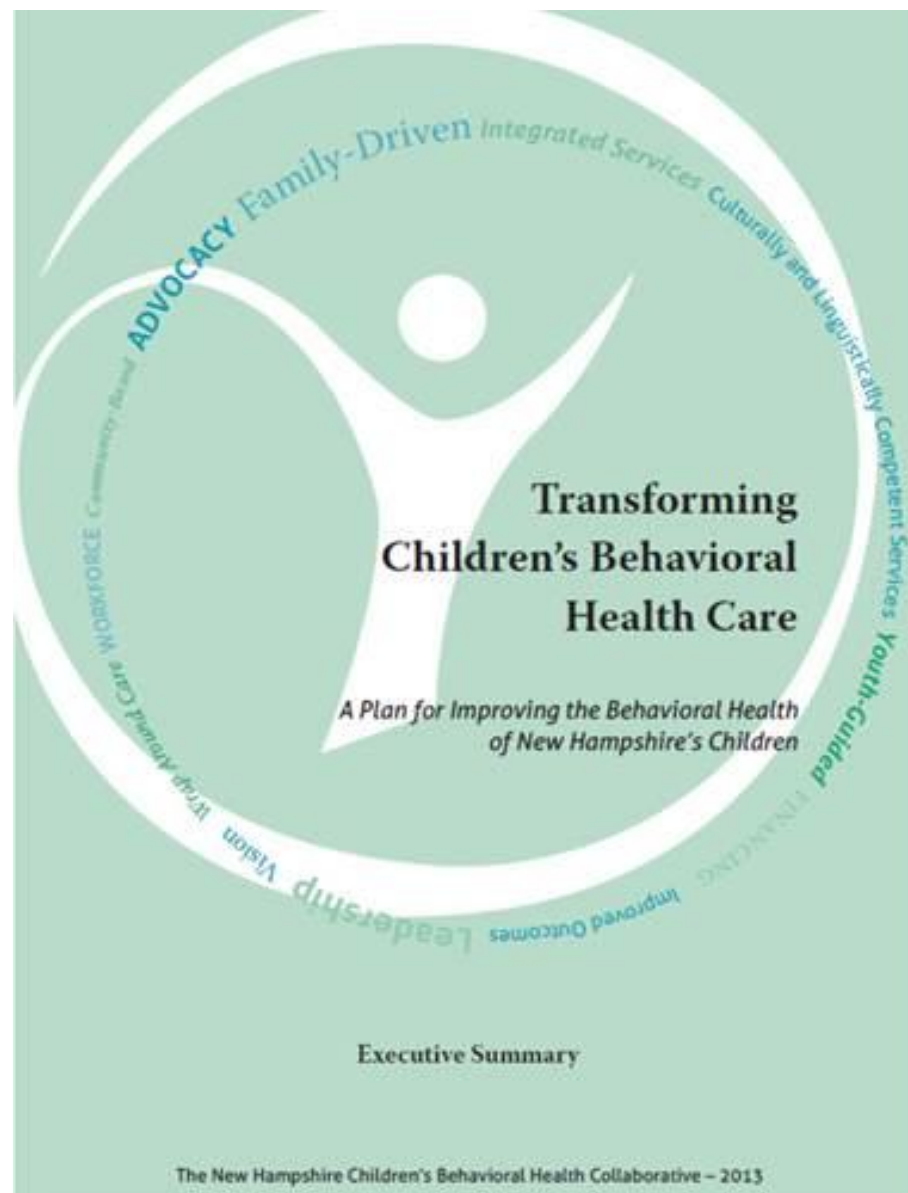

CBHC purpose

Transform children's behavioral health care services and supports into an integrated, comprehensive ***system of care***:

- Family-driven and youth-guided
- Community-based
- Culturally and linguistically competent

Coming together,
transforming our behavioral health
system
with New Hampshire children, youth,
families, and communities

Transforming Children's Behavioral Health Care

*A Plan for Improving the Behavioral Health
of New Hampshire's Children*
